Policies and Procedures
Web page: https://gluam.ostimteknik.edu.tr/
Exams: There will be no written exams for this course.
Assignments: Two assignments will be submitted for the course. Scientific Research Ethics Rules are very important while preparing assignments. Students should be careful about citing any material used from outside sources and reference them appropriately.
Missed exams: Any student missing a deadline needs to bring an official medical report to be able to take a make-up exam. The medical report must be from a state hospital.
Projects: A full entrepreneurship project will be developed as part of this course.
Attendance: Attendance requirements are announced at the beginning of the term. Students are usually expected to attend at least 70% of the classes during each term.
Objections: If the student observes a material error in his/her grade, he/she has the right to place an objection to the Faculty or the Department. The claim is examined and the student is notified about its outcome.
